SENATE FILE 402
BY COMMITTEE ON HUMAN
RESOURCES

(SUCCESSOR TO SF 308)

A BILL FOR

1 An Act relating to the state mental health institutes at
2 Clarinda and Mount Pleasant.
3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. CLARINDA AND MOUNT PLEASANT MENTAL HEALTH
2 INSTITUTES.

3 1. The department of human services shall accept all
4 eligible patients into the state mental health institutes at
5 Mount Pleasant and Clarinda through June 30, 2015.

6 2. The department of human services shall not close the
7 state mental health institutes at Mount Pleasant and Clarinda
8 after June 30, 2015, until a suitable and appropriate,
9 comprehensive and long-term care and treatment plan is
10 developed by the department of human services and approved
11 by the general assembly. Until such a comprehensive plan is
12 developed by the department of human services and approved by
13 the general assembly, the department shall ensure that the
14 diagnostic and treatment service needs of patients served
15 through the acute inpatient psychiatric mental health and
16 geropsychiatric programs at the state mental health institute
17 at Clarinda and through the psychiatric and substance abuse
18 recovery programs operated at the state mental health institute
19 at Mount Pleasant continue to be met at those institutes.

20 3. In developing a comprehensive plan pursuant to
21 subsection 1, the department of human services shall work with
22 key stakeholders including but not limited to the departments
23 of public health and inspections and appeals, members of the
24 general assembly, psychiatrists, psychologists, mental health
25 and drug abuse counselors, nurses, activity specialists, social
26 workers, and residential treatment workers to ensure all of the
27 following:

28 a. That each and every patient currently being served at the
29 state mental health institutes at Clarinda and Mount Pleasant
30 continues to be served during any transition period without
31 sacrificing access to and quality of treatment and care.

32 b. That clinical and professional expertise currently in
33 place at the state mental health institutes at Clarinda and
34 Mount Pleasant relating to serious mental illness including
35 geropsychiatric and co-occurring mental health and substance

1 abuse disorders is shared with other state mental health
2 institutes and community-based providers through professional
3 training and case consultation.

4 c. That recruitment, training, and staffing of direct
5 health care workers to serve as personal attendants, respite
6 care workers, home health aides, and a wide variety of other
7 direct support staff in both institutional and community-based
8 settings are adequately supported and compensated.

9 d. That appropriate funding, including Medicaid
10 reimbursement methods and transitional funding, is in place
11 prior to implementation of the comprehensive plan.

12 4. The department of human services shall be responsible
13 for identifying and securing appropriate in-state placements
14 for patients currently being served at the state mental health
15 institutes at Clarinda and Mount Pleasant equivalent to the
16 level of care each patient received through June 30, 2015.

17 EXPLANATION

18 The inclusion of this explanation does not constitute agreement with
19 the explanation's substance by the members of the general assembly.

20 This bill prohibits the department of human services from
21 closing the state mental health institutes at Mount Pleasant
22 and Clarinda until a suitable and appropriate comprehensive
23 and long-term care and treatment plan is developed by the
24 department and approved by the general assembly to ensure that
25 the diagnostic and treatment service needs of patients served
26 through the acute inpatient psychiatric mental health and
27 geropsychiatric programs at the state mental health institute
28 at Clarinda and the psychiatric and substance abuse recovery
29 programs operated at the state mental health institute at Mount
30 Pleasant are met. The bill requires the department to work
31 with key stakeholders to ensure that each and every patient
32 currently being served at the state mental health institutes at
33 Clarinda and Mount Pleasant continue to be served during any
34 transition period without sacrificing access to and quality of
35 treatment and care; that expertise relating to serious mental

1 illness including geropsychiatric and co-occurring mental
2 health and substance abuse disorders is shared with other state
3 mental health institutions and community-based providers; that
4 recruitment, training, and staffing of direct health care
5 workers are adequately supported and compensated; and that
6 appropriate funding, including Medicaid reimbursement methods
7 and transitional funding, is in place prior to implementation
8 of the comprehensive plan.
